Dear Sir/Madam,

RE: APPLICATION FOR INDUSTRIAL ATTACHMENT

I am a third year student pursuing a Bachelor's Degree in Information Technology at Maseno University and I am writing to express my genuine interest to join your company as an industrial attachee. It is a requirement that I spend three months in an organization that is related to my field of study prior to my final year of study.

Throughout my academic journey, I have acquired a strong foundation in Information Technology, and I am eager to apply my theoretical knowledge in a practical setting.

I enclose herewith the letter from the university and my particulars.

The opportunity to work under your guidance will undoubtedly enhance my understanding of the field and prepare for a successful career in Information Technology.

Thank you for considering my application.

Yours faithfully,

Patel Maua Hadaisa

Student, Maseno University
